

Collaborative Technology Session

May 1-2, 2007

Refresh, Reframe, Recharge

WI Tobacco Control Program State Conference

Next steps

Pick 1-2 things that you want to do and share with someone near you.

Choose 1-2	Possible next steps	Notes for me
	Join the Collaborative Technology wiki Send an email to julieswanson@wisc.edu	
	Post (write something) on the conference blog	
	Go on line and find a learning community that you can join	
	Find some blogs you are interested in and read them/subscribe to them	
	Schedule a time to share information or debrief from this session with colleagues/supervisors and then brainstorm next steps.	
	Get this topic as an agenda for a group that you work with. Discuss how these tools might help you work better.	
	Set aside self learning/exploration time Try the tutorial in your hand out	
	If you have access to TTA or staff development: add this to the list.	
	Take a class: online or in person
